

WELCOME TO FARA DIGEST

Welcome to the maiden edition of FARA monthly bulletin. It promises to inform you of our events for the past month. Talking of Agribusiness in Africa, to the STISA implementation workshop and our engagement with the Bill and Melinda Gates Foundation, FARA is charting the most arduous territories to achieve its vision of reducing poverty in Africa as a result of sustainable broad-based agricultural growth and improved livelihoods, particularly of small holder and pastoral enterprises. Your responses are welcome for other readers to view and comment on.

Warm regards, Taiwo Owoeye- Communication and Media Relations Officer, FARA.

FARA initiates Agribusiness to Improve Africa's Economy

The first African Agribusiness Conference themed “Catalyzing the sustainable transformation of Africa’s agriculture through Agribusiness Incubation: towards job and wealth creation, food security and poverty reduction” held in Kenya between the 28th -30th September, 2015 ...[read more!](#)

Dr. Yemi Akinbamiyo
 Executive Director *FARA*.

FARA Seeks to Strengthen Partnership with the Bill and Melinda Gates Foundation
